## Answer

MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI M.V. RAJASEKHARAN)

(a) & (b): Yes, Sir. The Government of Maharashtra has submitted a Mumbai Urban Infrastructure Project (MUIP) for upgradation of roads, construction of flyovers and traffic network in Mumbai at an estimated cost of Rs.2648 crore, excluding land acquisition cost.

(c) & (d): The Planning Commission has made a tentative allocation of Rs. 1000 crore in the Annual Plan 2005-06 of Maharashtra under the proposed National Urban Renewal Mission (NURM). The MUIP could also be considered for additional assistance provided the State Government fulfills the proposed Mission guidelines.
